

NORTH HILLS VARSITY GOLF TEAM

Rules & Regulations

Congratulations on earning a spot on the North Hills Varsity Golf Team. Your playing ability, knowledge of the game, and the respect that you exhibit are the main reasons why you have succeeded. The challenge moving forward will be to blend your individual abilities into a team concept. That being said, everything we do will be for the benefit of the team.

TEAM RULES: Why have rules?

Rules are only needed when an individual feels compelled to behave in an unacceptable manner under the given circumstances. Many of the following rules are the result of said behaviors.

- USGA, WPIAL, and PIAA rules will govern play.
- Attendance at matches and practice is mandatory. If you are unable to attend an event, it is YOUR responsibility to personally inform the coach.
- Proper team dress is required to participate in matches. Clothing must be worn appropriately.
- While at a match, both home and away, you are the responsibility of the coach. You must inform the coach of your intention prior to leaving.
- Respect, Respect, Respect

These rules notwithstanding, any behavior deemed detrimental to the integrity of the North Hills Golf Team will be dealt with accordingly.

Each infraction will be judged as to the seriousness of the player's actions. The following consequences may be levied against a player who has been deemed to have behaved in an unacceptable manner: Probation, Suspension from Team Activities, or Dismissal. Each case will be judged on its own merits.

It is my hope that this is a mute point.

Pursue Excellence. Have fun!

Jamie DeWeese
North Hills Golf Coach
